### Webinar #3:

## Securing Democratic Elections- Involvement Without Interference

Tuesday, December 1st, 2020

04:00PM Israel Time | 02:00PM GMT | 09:00AM EST Time

Fake news, cyber attacks and digital interference pose an imminent danger to an independent and reliable election process.

How do we balance taking the steps needed to secure our democracy without interfering in elections?

#### Speakers include:

**Ms. Sanaz Yashar**, Principal Cyber Security Analyst, Mandiant FireEye, Israel

**Mr. David Kuennen**, Senior Research Program Specialist, CISA, USA

**Mr. Ian M**, Deputy Director for Digital Government, NCSC, UK

**Mr. Yves Verhoeven**, Head of Strategy Department, ANSSI, France

**Mr. Refael Franco**, Deputy Director General, Robustness, INCD, Israel
